The Applicant is responsible for its own engine, from the time of delivery (Friday the 15<sup>th</sup> of September) from the Rok Truck, to the time of return. At the end of the Final, on Sunday the 17<sup>th</sup> of September, the engine and all relating accessories disassembled must be returned to the Vorton staff in the parc fermé. The engine and all accessories must be returned clean and in the same conditions in which they were delivered (undamaged).

After returning the engine, the Vorton staff will check its status (including all relating accessories), reserving the right to charge any costs of repair / replacement of spare parts to the Applicant for breakage or failure, for improper care and missing maintenance of the kart or for damage caused by improper use of the engine or damage caused by an accident. Below is the chart with all the pieces and prices.

At the time of delivery of the engine, you will have to show an identity document, which will be held as guarantee and will be given back when the engine will be redelivered.

The Applicant declares to understand, accept and respect the conditions of hire above mentioned.

The Applicant hereby agrees to bear the cost of any repairs or replacements of the engine parts according to the prices shown in the chart below.
