

KA 2 Vortex DVS Junior ROX

Queenslander Jack Doohan won his first-ever elite junior (KA2) Championship round. Doohan, who is the son of five-time World Motorcycle Champion, Mick Doohan endured a tough weekend, having mechanical woes for qualifying which put him back in 15th position which meant Jack had to start each heat out of 15th.

Despite a troublesome start to the weekend it all came together for him in Sunday's final, where he took the win ahead of Cameron Longmore, who recorded his best ever finish in the category and Lachlan Hughes. Hughes gained the championship lead and now sits 25 points clear of Doohan in the standings.
