

## KA2 Vortex DVS Junior Rok

Despite being sick in the lead up to the event, Broc Feeny was on course for his best result of the season, qualifying on pole and winning two heat races. Unfortunately his run of form was thwarted with incidents in the final two races. A freak shower on Lap 9 of the KA2 Vortex DVS Junior Rok final saw the duel turn to a race of attrition, with 19 of the 21 starters failing to finish. Cooper Hay best managed the slippery conditions to take the race win ahead of Jac Preston. Jack Doohan was crowned KA2 Vortex DVS Junior Rok Champion with Harrison Hoey second and Broc Feeny third.
