

KA2 Vortex DVS Junior Rok

A turn one pile-up involving eight competitors triggered a full course caution on the opening lap of the KA2 Vortex DVS Junior Rok final. Lachlan Hughes leapt to the lead from the restart with top qualifier Reece Cohan in hot pursuit. The duo battled for the majority of the 18 lap race before a broken bearing carrier bolt robbed Cohan of a maiden KA2 podium. Cody Burcher finished second in his first ever KA2 race ahead of Taylor Hazard.
