

Cadet 9 Vortex Mini Rok

Defending Champion Ryan Tomsett bounced back from lacklustre run in the heat races to take an impressive win in the Cadet 9 Vortex Mini Rok final and move into the series lead.

Toby Dvorak, winner of heats three and four, finished second with Emerson Vincent third.

With two rounds of the series remaining the championship battle is very much alive. Just 13 points separate Ryan Tomsett and second placed Harry Arnett with Toby Dvorak a further 22 points behind.
