

## KA2 Vortex DVS Junior Rok

While Broc Feeney dominated the KA2 Vortex DVS Junior Rok heat races it was Christian Pancione who emerged victorious in the all important final. Starting from second on the grid, Pancione got a great start and was quickly immersed in a six-kart battle for the lead. While the lead changed many times over the course of the race, Pancione came through to claim his maiden round win. Lachlan Hughes raced from eighth to finish second with Harrison Hoey claiming third place, edging out Feeney as they crossed the line. The championship battle will be decided in Melbourne with just four points separating Feeney and Hughes at the top of the standings.
